What's the difference between the Saturday and Sunday course?

Consecutive Saturday and Sunday sessions will administer the same exam and review the same content. Our Sunday session begins later (Oct 27 instead of Sep 28) to accommodate those who would like to begin prep later.

Who is the instructor?

Alan Han (*Saturday course*) and Lila Schisgal (*Sunday course*) are distinguished graduates of Hunter who are current undergraduates at

UPenn and Macalester, respectively. Alan & Lila have led HunterPrep's group courses and crash courses for the past 4 years and have also had stellar track records as private tutors for HunterPrep. During their time at Hunter, Alan & Lila were top scorers on standardized tests and held multiple teaching assistant and peer tutoring roles in and out of Hunter. They look forward to meeting their students!
